

CALGARY RENEGADES

Sponsorship Program

OUR *Legacy*

The Calgary Renegades, founded in 1985 by John Csikos, has been one of Canada's most successful competitive high performance water polo clubs. Our current **70+ athlete membership** includes 15U, 17U, 19U, and senior age groups. It is the stand alone female high performance club for Southern Alberta. We lead a legacy of excellence. With over **20 National and Western Canada Championship Titles**, we seek to reach the top of the podium year after year. Our athletes, coaches, and officials have gone on to represent and compete for **Team Alberta, NCAA and NCWP**, on Water Polo Canada Age Group and Senior **National Teams**, overseas **professionally**, and at the **Olympics**.

WE *Believe*

Being a Renegade is special. The life experience and skills gained through water polo are invaluable.

We can make a difference in the water polo community by developing athletes, coaches, and officials to be respected ambassadors of the sport.

Water Polo is a developing niche sport, requiring more national and international travel for training and competition, and incurring increased operational costs.

Sponsors are essential. At this level, we rely heavily on fundraising, grants, and sponsorships to provide elite programming for our high-performance athletes and surrounding community development.
